受賞歴	2018年11月: 優秀論文賞佳作 [Dickens, Hardy and "a London Particular": Scientific Entropy, Medical Epidemiology and the Miasmatic Literary City] 日本ヴィクトリア朝文化研究学会		

研究領域	British Literature, British Poetry	(SDGs)
研究テーマ※	Literature, poetry and science	
概要※ (概ね1000字以内) (写真・グラフ等自由)	<p>【研究の背景・目的・内容】</p> <p>My area of speciality is the British poetry and literature of the late nineteenth and early twentieth century. I am particularly interested in the overlapping relationship between science, philosophy, art and poetics which took place during this energetic and profoundly transformative period in human history.</p> <p>【応用例、研究の展望】</p> <p>I am currently writing a book on the nineteenth and early twentieth century novelist and poet Thomas Hardy. This project examines the influence of late Victorian aesthetic movements and nineteenth-century evolutionary ideas upon Hardy's philosophical thought.</p> <p>【研究方法の特色】</p> <p>Literary exegesis; historical cross-disciplinary textual research.</p>
